UTAH GAINS FAME FROM ATHLETES

State University Now Recognized as One of the Leading Schools in Rocky Mountains.

MADDOCK COMES HOME

HAS OFFERS GALORE FOR DATES FOR HIS TRACK TEAM.

Coach Joseph Maddock returned from Denver yesterday, where he attended the Rocky Mountain state conference held there on Saturday. While away the university coach succeeded in entering his team in the big conference track and field met to be held in Boulder, May 19, in which the following teams will compete for the Rocky Mountain championship: University of Colorado, University of New Mexico, University of Wyoming, Colorado College, Denver University, Agricultural College of Colorado, Colorado State School of Mines, and University of Utah.

sity of Utah.

The conference was attended by eighteen delegates, representing all the schools in question. The meeting was held at the Denver Athletic club, where a banquet was given the delegates after the business meeting.

Besides arranging for the conference meet on the track, several other matters of importance were discussed. It was decided to adopt the four-year rule as applied to both track and football work. The rule requiring the residence of one The rule requiring the residence of one year as a requisite for all representatives on athletic teams, was not adopted, nor was the rule regarding the eligibility of summer baseball players.

No rules were made regarding the amount of schol work or the scholastic standing of competing athletes. The matter of adopting the "ten yards in four downs" rule for football and other important questions that are being discussed by the conference of the big nine, were not settled, as it was thought best to wait until such rules had been adopted by the eastern schools.

versity urged that the Thanksgiving date now held by the Colorado 'Aggies' be given to them for next football season. All this goes to show the jump that Utah has taken in the world of sports. A few years ago she was a second now she is recognized by all the big col leges and universities of the west."

Meet With Boulder.

The securing of this meet at Boulder on May 19 means that the dates already provisionally decided upon for the state met and the local dual meets will have to be rearranged.

The first meet will more than likely be a dual contest with the B. Y. university of Provo on about April 21, or sooner if the weather will permit the athletes to begin an early training. The date for the state meet will most likely be May 5. These three mets will probably be all that the university will have this year.

Send Team East.

It was also decided at the conference that if possible arrangements will be made with the big schools of the middle west for entering an All Rocky Mountain team in the big conference meet held at Chicago each year for the western championship. This team is to be made up of the men who make the best record at the meet in Boulder. The team thus selected will be sent to the Rocky Mountain conference, which organization will pay all the expenses of the team, each school bearing a proportionate part of the expense. This organization, although it elected no officers, is to hold in effect indefinitely. All matters pertaining to general regulations will be settled at the conferences each year, while all such matters as the arranging of football games and track meets will be left to each individual school.

When asked concerning Utah's chances of winning the Rocky Mountain championship, Coach Madock said:

"Utah stands more than a good show to win over all the teams that will compete. She has during the last few years met and defeated the best track teams in Colorado. While several of the old standbys of the school are away this year, yet I see no reason why the team will not be as strong if not stronger than a good show to win over all the reach stronger than a good show to win over all the teams that will compete. I see no reason why the team will not be as strong if not stronger than ever before. Not only does Utah stand a good chance to win the championship but she bids fair to get several men on the All Rocky Mountain team.

"Swapp and Adams will beyond doubt win their places on the team. This means that Utah will have a chance to make herself prominent by the work of Adams. There are but one or two men in the United States who have the record with the pole that the Provo boy has, and it is most likely that he would win out over all competitors in the big conference meet at Chicago. Besides these two men there are several others who stand a good here got mixed on sending its tickets. eral others who stand a good show of going to Chicago.

Utah the Whole Show.

Coach Maddock was pleased with the treatment given him and the weight given to the University of Utah in all the questions discussed. From his report it was Utah from start to finish, as every school represented was ready at all times to cater to Utah as against the other schools. Speaking concerning Utah's standing among the Colorado schools, Coach Maddock said:

"The University of Utah has ceased to be looked upon as a second class school in athletics among the schools of the Rocky Mountain states. The manner in which Utah has dealt with many of the football teams from Colorado has brought her to the front, and she is now considered even by Boulder as its strongest rival for the championship both on the track and the griditron.

"Boulder was very anxious to secure a dual meet on the track with Utah has all her dates taken. Colorado college also offered to take Utah to Colorado Springs for a dual meet on April 28, which offer will most likely be refused also for the same reason. Hyland was to have met "Kid" Scaler in Spokane March 17, but as the club up there got mixed on sending its tickets, the Spokane date was passed by. As soon as they arrive in San Francisco an effort will be made to match Hyland and Young Corbett, Eddie Hanlon or Jimmy Britt. Greggains believes Hyland has enough class at the present time to meet any of these.

VIEWS ON NEEDS OF SPORT

SAYS PROFESSIONALISM SHOULD BE DISCOURAGED.

The betterment of the sport of bowl-The betterment of the sport of bowling, to keep it clean and drive out every semblance of professionalism, making it strictly a gentleman's game, is the substance of an interview given out last evening by President A. W. Martin of the Western Bowling congress.

Mr. Martin is a resident of Oakland, Cal., and arrived in Salt Lake yesterday to preside at the annual meeting of the congress, scheduled for tomorrow morning, and incidentally take part in the championships held here during the week. Mr. Martin is a member of the famous Imps bowling team of San Francisco and expects to take his place in their lineup when the tournament opens.

Is Against Professionalism.

Is Against Professionalism. Is Against Professionalism.

Mr. Martin said: "I have talked with every member of the executive committee and think they agree with me when I say that one of the prime objects of the Western Bowling congress is to drive out the element of professionalism that has gained a remarkable foothold in bowling circles throughout the country. While the congress may not be able to make rules at this time prohibiting the playing for cash, I believe a resolution should be passed by the congress stamping its disapproval of it."

"Professionalism has been a great drawback to the sport in California, but this season a war has been waged against it by the members of the Western Bowling congress and it is fast disappearing."

Essington, Pa., March 5.—Battling Nelson, who will go six rounds with Terry McGovern at the National Athletic club in Philadelphia, March 14, is going through his training stunts down here. The Battler is not working very hard this week, but he will start on Monday to do heavy work.

preparations for the coming fight. The champion says:

"Although no decisions are given in Philadelphia, anyone will be able to tell the winner when I am through with Terry. I fully realize that McGovern has the punch, but I tell you he is not going to land it on me if I can help it. I am training slowly and carefully, and will be in the best of shape when I enter the ring."

Nelson is the hero of the small boy in this village and he cannot leave his training quarters unless a full brigade is at his heels. From Monday on his sparring partners will be increased by two rugged boys from Philadelphia.

Weak, Nervous, Restless at Night, and Weak, Aching Back, Diseased Kidneys, Inflamed Prostate, Despondent, Lack of Energy, Ambition and Strength, Poor Memory, Hollowed Eyes,

An endless number of men have one or more of the above symptoms and drag from day to day in despair of a prosperous, happy future, and well they may, for if neglected their health is sure to be wrecked by a complete loss of physical, mental and sexual power.

My method completely and permanently revives manhood after cure-all remedies and quickcure specialists fail to even benefit,

My scientific, systematic course of treatment for weak. nervous, brokendown youths and men, who have, through folly, dissipation and excesses, unfitted themselves for work and the enjoyment of life is a system that has been tested many times over and proven entirely satisfactory in every case. It is totally different from the many sickening pills and tablets, and the stimulating, stomach-ruining drugs given by would-be specialists. My specific treatment for all the symptoms indicating Failing Manhood is harmless though so effective as to remove them immediately. It is constitutional; therefore, by purifying and enriching the blood, strengthening the nervous system, nourishing the tissues, the patient becomes strong and healthy with all signatures of trouble forever gone. The treatment is to the human system what the sap is to the tree—it buds energy, ambition and confidence that leaf into a prime, healthy, vigorous feeling of new life.

I treat and cure all such pelvic diseases as PILES, FISTULA, RUPTURE, VARICOCELE, HYDROCELE, BLOOD POISON, SKIN DISEASES, SORES, ULCERS, NERVOUS DECLINE, and diseases of the KIDNEYS, BLADDER AND PROSTATE. My method of treating these diseases has proven so successful that I guarantee a permanent cure in every case accepted, and contract by a written instrument to produce permanent and satisfactory results or refund money.

IMPORTANT .- I will cure you for less money than you can be treated for by any other specialist in Salt Lake. You may have to come to me sooner or later in order to be properly cured; why not before you have lost your money in doctoring with cheap, unskilled specialists?

CURE OR NO CHARGE .- ABSOLUTELY NO CHARGE UNLESS SATISFACTION IS GIVEN. Every patient is given a written guarantee to refund every dollar paid for services if they do not receive a complete, life-long cure and entire satisfaction, and I have made a deposit of \$500.00 in the bank to secure any contract that is not fulfilled.
